**Duck, Duck,
Porcupine!**
by Salina Yoon

Dear Families,

Summer vacation is almost here! We hope that you make it a time to **REST, RELAX, READ**, but above all **ENJOY!**

Reading, like a sport, involves practice and skill. Real skill building occurs when children read for pleasure, when children read “just right” books, and when children can explore books about those topics that interest them. The more they practice with someone’s encouragement, suggestions and praise, the better and more confident readers they will become.

Tips to Encourage Reading:

- ◇ Set aside a regular family reading and/or read aloud time.
- ◇ Read to your children, even the older ones.
- ◇ Recognize that your child’s own choice and interests are important ingredients toward reading enjoyment.
- ◇ Let your child see you reading for pleasure.
- ◇ Pack a book wherever you go this summer.
- ◇ Encourage and help your child succeed with reading but do not push or expect too much too soon.
- ◇ Participate in activities at the [local library](#).
- ◇ Learn more about children’s books from your child’s friends, from the local library, or from the attached lists.

Happy Reading!

ACTIVITIES DURING READING

- ♦ Change your voice to fit the mood or action.
This helps children hear fluent reading with proper expression and intonation.
- ♦ For younger children, move your finger under the words as you read.
This helps students to learn to track the print and that the words match the print.
Sometimes older children need to use a bookmark to help them track print.
- ♦ Allow children to ask questions or make comments.
This helps them to understand what they are reading.
- ♦ Share your own thoughts about the story as you read.
